

**FREMONT PARKS & RECREATION COMMISSION
MEETING MINUTES**

The Fremont Parks and Recreation Commission meeting began at 7:00 pm on January 10, 2007 at the Fremont Town Hall.

Renee corresponded with Jen Jaquith regarding Summer Camp; the schedule, hiring counselors etc. Ads will be in newspapers the end of March thru the beginning of April and hiring will begin in May.

It was agreed that Jeff Rowell will once again take on the task of submitting an annual report for rec, to be added to the annual Town Report. We are hoping to add pictures to this report as it was a busy year for us!

Our budget was discussed as the meeting is on March 17, we do not have any warrant articles pending this year.

The Easter Egg hunt date was discussed. March 31st at 10:00 am was agreed upon.

A "walk-thru" sign for the playground was discussed. People are still unsure of how to enter the playground when the main gate for the fields is locked.

A wish-list was discussed, if FAA asks what is needed for the fields. A possible splitting of the cost would be an option as well. A shed would be very helpful: to remove extra items from the concession stand and store nets and such in a more organized fashion.

Questioned the status of the band for the summer concert, hoping to have an answer for the next meeting.

Banners will be sold again for the next season. Would like to work on getting equipment for the under 4 children in town.

Also discussed a future project: fixing the track at the fields, safety and ease of use are factors that will make it necessary to do so soon.

Respectfully submitted,

Deb Genthner
